To: Proposers to Gwinnett County Public Library, *REQUEST FOR PROPOSALS 2602-RFP
Uninterruptible Power Supplies ISSUED December 19, 2025*

From: Jessica Fulks, Senior Business Services Manager, Gwinnett County Public Library

Re: Notice of Intent to Award: *RFP # GCPL-2602*, (the "RFP") Pursuant to provisions under Section IV A. of the RFP, Notice of Intent to Award Contract

The Gwinnett County Public Library (GCPL) has completed evaluation of all required submissions from the ten (10) Proposers who responded to the RFP. Based upon the results of this evaluation, GCPL now announces its intent to award a contract for Uninterruptible Power Supplies to MGT Impact Solutions, LLC.

This notice of intent to award ("Notice") is conditional. GCPL will not execute a contract for the prescribed services to MGT Impact Solutions, LLC unless these parties negotiate a mutually acceptable final agreement, including scope and price, according to the relevant provisions of the RFP. The parties must satisfy this condition within a reasonable period from the date of this Notice.

In the event the planned negotiations fail, GCPL may choose to commence final contract negotiations according to the relevant provisions of the RFP with the next highest ranking Proposer. GCPL reserves the right to withdraw the Notice and re-solicit for Uninterruptible Power Supplies. Execution of and commencement of work under any final agreement is subject to approval by the GCPL Board of Trustees.
